

Come join us
for the

General Membership Meeting

at the ISES Annual Meeting!

The Membership Meeting is **THE** event where you can get updated on the status of Society (including financial status, policy decisions, and future meeting venues) as well as on ISES's future. This year we will be kicking-off the meeting with a "Meet Your Board Members" mixer, giving all attendees an opportunity to connect with the Board members on a more personal level. We will also be announcing the winner of the first ever ISES Video Contest!!

We will be giving out prizes throughout the General Membership Meeting (from T-shirts to tickets to a Las Vegas show!) - but you have to be there to win!

So please plan to attend the General Membership Meeting on **Tuesday, October 20th from 5:00 – 6:00 pm in the Milan 6-8 Room**. Just after the General Membership Meeting is the Women's Networking Event and the Committee Fair, so stick around for drinks, light food, and lots of opportunities to connect with your fellow scientists!
